

Limited and numbered production

FUOCO AUREA MINIMA: THE NEW COLLECTION BY AURORA

The new line of flame red pens brings passion to writing

Turin, May 2007. Aurora presents its latest limited and numbered production, **Fuoco Aurea Minima**. The new collection of ultra-compact pens in **bright red marbled resin** with chrome-plated trims also features the **sketch pen** in the original **jewel version**. Precious details, such as the **flame engraved on the clip**, reflect the expertise and attention to detail of Aurora's skilled artisan craftsmen. Following the success of the Sole Aurea Minima, Aurora presents another special collection dedicated **to those who appreciate originality and high-class details**.

Fuoco Aurea Minima is available in **two different and unique lines** that stand out for their precious details.

PRESTIGE COLLECTION

For collectors and connoisseurs of precious pens, **Fuoco Aurea Minima** is available in the **Prestige set of four pens** (fountain pen, ballpoint pen, rollerball pen and mini sketch pen). Produced in just **175 pieces**, each pen is enhanced by a **ruby red stone set in the head**. The **precious presentation case** is made of red leatherette and all four pens are engraved with the same number.

FUOCO AUREA MINIMA COLLECTION

1,750 fountain pens with 18 Kt. rhodium-plated solid gold nib. **One of the smallest pens in the world** featuring the piston refill mechanism;
1,750 ballpoint pens with twist mechanism for gradually releasing the tip;
750 rollerball pens designed to produce an even, smooth and elegant ink flow;
750 Mini Sketch Pens **in an original jewel version.**

With the elegant cotton necklace featuring an adjustable fastening, it can be worn as a pendant and easily unclipped for use. A stylish detail for the sophisticated woman with a taste for original fashion accessories. A small rubber is hidden away in the base of the sketch pen. Versatility and a wealth of details make the jewel sketch pen an authentic writing instrument that is both practical and handy to use.

The **number** that makes the series unique and precious is engraved on the head of each pen in **both lines.**

Aurora's love and attention to detail are also reflected in the presentation cases. Both the four-pen set and individual pens come in a **red leatherette box with beige velvet lining.**

Fuoco Aurea Minima will be on sale at jewellers and selected stationary boutiques from June.
