

New Aurora collection

OPTIMA RIFLESSI. LIGHT IS ENCHANTMENT

The Aurora design department has created a new line dedicated to the jewellery sector: the exclusive and precious Optima Riflessi.

The Optima Riflessi is Aurora's line of pens with a classic design, embellished with a **delicate** geometric **pattern "guilloché"**; the special finish creates the precious, sparkling reflections, ideal for the man and woman with a distinct, refined style.

The choice of precious materials and finely hand-crafted finishes make the OPTIMA RIFLESSI a unique and valuable object, a small jewel in the hands of those who choose a writing instrument of unmistakable class. Only available from jewellers and stationery boutiques.

Features

The collection is available in two versions:
